Every year, thousands of young women and girls of Jharkhand fall into the hands of traffickers. Mainly taking advantage of their poverty and illiteracy, Traffickers convince them for unsafe migrations and they end up as victims of trafficking. Jharkhand in the recent years has become a source and a destination for traffickers. Jharkhand forms a triangle with Bihar, West Bengal and Odisha on the three sides physical proximity with large markets. In addition its with metropolitan cities like Kolkata, Delhi and Mumbai and international borders like Nepal and Bangladesh, has helped Jharkhand to emerge as an easy transit state for traffickers.

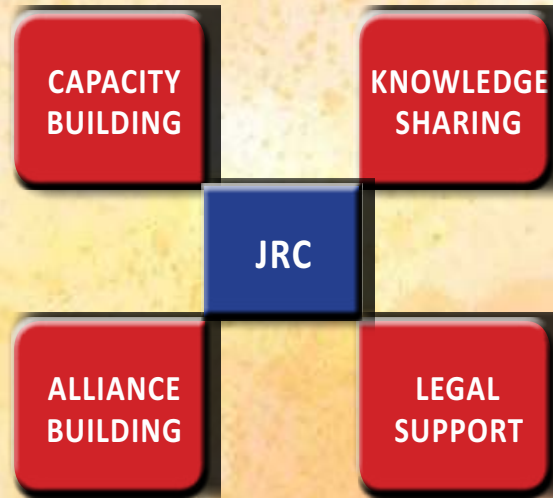

JATN (JHARKHAND ANTI-TRAFFICKING NETWORK)

JATN is a state level joint network of 14 NGOs working at the grassroots level in Jharkhand. It is a collective working on the issue of Safe Mobility in Jharkhand. The member organizations are working and have extensive experience in the field of Trafficking- rescue, rehabilitation and providing vocational training to the victims. It promotes Human Rights Approach and Perspective with Feminist principal to counter Trafficking and promote safe and secure mobility in Jharkhand.

The objectives of JATN are:

- ✓ Develop shared vision, promote convergence and solidarity in action in among members of JATN and establish relationships with local governments & panchayats.
- ✓ Organize vulnerable communities and build their access to information on rights and entitlements and create awareness on safe migration at the larger community.
- ✓ Facilitate effective implementation of existing laws and policies related to promoting safe mobility and preventing trafficking and engage

with related networks and agencies for greater buy in of the approach

JRC (Jharkhand Resource Centre)

JRC is the technical support unit of JATN (Jharkhand Anti-trafficking Unit). JRC steers information collation and circulation, Alliance building and Evidence based Advocacy for promoting safe mobility in Jharkhand among the JATN members.

JRC provides a platform for regular sharing, disseminating and converging actions of stakeholders working on larger women issues in particular trafficking and safe mobility. JRC initiatives process for building perspective on Human Rights and skills around right based perspective and approaches.
